New Study Abroad Orientation Course

The study abroad team debuted phase two of the [Study Abroad Compass](#) initiative. [Study Abroad 102](#) is a new online pre-departure orientation course for students committed to study abroad during the 2021/2022 academic year. The course was developed to address many important topics that will compliment the regular program-specific pre-departure orientation sessions. Topics such as goal setting, cultural adjustment, submitting eForms, as well as budgeting abroad are covered. Completion of this course will be mandatory for all study abroad students participating in semester or full year programs.

Meet the new BeyoND Study Abroad podcast Host

Please welcome Sam Eppich, the new host for [BeyoND Study Abroad](#). Sam is a member of the Class of 2022 majoring in Psychology and FTT with a minor in Digital Marketing.
