# Study Abroad STORYTELLERS

The Study Abroad Storytellers program is an opportunity for current study abroad students to share their stories with prospective study abroad students. As a Storyteller, students will share experiences and insights from their time abroad as a student enrolled in a semester study abroad program. The Fall 2021 Storytellers will digitally share their stories through social media, videos, and blog submissions! We are excited to launch this new initiative to encourage inclusive content creation as the students share their journey with us!

## Gilman Scholarship

The Gilman Scholarship broadens the student population that studies and interns abroad by supporting undergraduates who might not otherwise participate due to financial constraints. The program aims to encourage students to study and intern in a diverse array of countries or areas and world regions. The program also encourages students to study languages, especially critical need languages (those deemed important to national security). You can find the application overview [here](#). The deadline to apply is October 5 at 11:59 PT.

The study abroad team is available to meet with you virtually or in person. Our office is located at 105 Main Building. Study Abroad Walk-In Advising hours are 1:00 pm - 4:00 pm on Tuesday, Wednesday, and Thursday. Additionally, you can email Study Abroad with questions at [studyabroad@nd.edu](mailto:studyabroad@nd.edu). [Visit our website](#) for more information on advising and scheduling an appointment with a program director.

Each year, we celebrate National Hispanic Heritage Month from September 15 to October 15 by celebrating the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean and Central, and South America. The day of September 15 is significant because it is the anniversary of independence for Latin American countries, including Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and 18.

The Institute for Latino Studies has organized lectures, presentations, movies, and cultural events. Visit their website for more information on the [series of events!](#)
