

Bringing Notre Dame to the world and the world to Notre Dame.

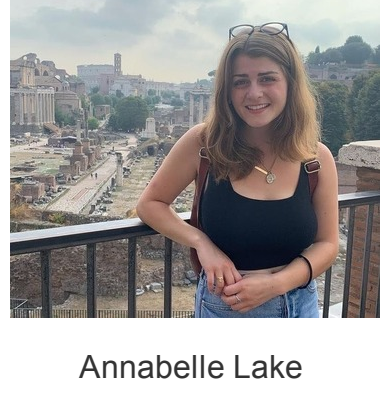

March 08, 2022

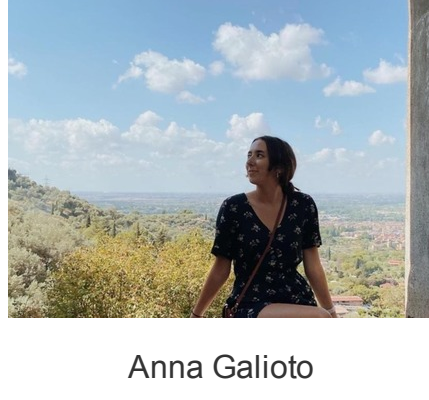

International Women's Day is March 8th! This is a global day celebrating the social, economic, cultural, and political achievements of women. NDI Study Abroad joins millions around the world in celebrating women's achievements and raising awareness about women's equality. We encourage all women to take a moment to value the achievements they have made in their undergraduate careers! Please join us in celebrating International Women's Day by recognizing some of the Fall 2021 study abroad storytellers!
